As a leading voice in child advocacy, Texas PTA understands that our effectiveness is rooted in connecting our members with policy makers. Caucus-goers will hear robust, thought-provoking presentations from influential legislators on several of Texas PTA's legislative priorities, with time allotted for Q&A with each guest.

This opportunity to interact with these state-level leaders will equip PTA members with the information and confidence to discuss the most pressing issues with their elected officials, both at Rally Day and back home in their community.
