Quick Start Guide

The BASICS materials provide essential training for many PTA positions. This guide is just the beginning!

ABOUT PTA

The mission of PTA is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

What this means: We engage, empower, and advocate to achieve our vision—every child's potential is a reality. Our mission statement guides us and should drive any significant decision. The funds we raise are used to support our mission.

WHAT IS PTA?

PTA is a 501c3, member-based association that advocates for the best interest of ALL children in many areas. It is self-governing and non-partisan. PTA advocates for or against issues but does not endorse any candidate or political party.

What this means: You are a member of a nonprofit executive board and therefore have certain legal responsibilities. Executive board members have three fundamental fiduciary duties: the duty of care, duty of loyalty, and duty of obedience. Executive board members act as trustees of the PTA's assets and must exercise due diligence to oversee that the PTA is well-managed and that its financial situation remains sound. The executive board verifies that all filing requirements and tax obligations are completed.

OUR PURPOSE

- Welcoming families into the school community
- Communicating effectively
- Supporting student success
- Speaking up for every child
- Sharing power
- Collaborating with communities

FINANCE

The Life Cycle of A Budget

- Elected/appointed executive board members create plans of work which include a budget detailing project-related expenses.
- PTA happens, and expenses occur.
- The executive board approves the plans of work and the membership votes to adopt the budget plan. Financial reports are presented at each regular executive board and membership meeting. Financial reconciliation happens at the end of the year, and the membership receives the report at the first meeting of the next school year.
