The Importance of the Secretary

The secretary is a very important position on a local PTA executive board, and one of only two positions that are required by law as an organization in Texas. The PTA secretary is responsible for keeping accurate records of the proceedings of the association, complete records of members and leaders, as well as sending communications on behalf of the executive board. Never say, "I'm just the secretary!"

An effective secretary should be prompt, accurate, dependable, and have a thorough knowledge of the PTA purposes, bylaws, standing rules, policies, and methods. This guide will familiarize you with the responsibilities required and the opportunities available to be an effective secretary.

Leadership Competencies

Skills and Abilities Effective Leaders Demonstrate

Successful leaders are effective leaders. Think of some of the most effective PTA leaders you have worked with. They certainly fill their PTA role well, but their leadership capacity goes beyond that. They have skills and abilities that allow them to step into a variety of roles. They see the value people have to offer and seek their involvement. They provide a clear purpose that others want to follow. They lead with integrity and strive to continually improve.

Texas PTA has identified a set of competencies effective leaders demonstrate. These skills and abilities can be used by current and potential leaders to help them improve their leadership, and by Local or Council PTA nominating committees to recruit, nominate, and elect effective leaders.

This list is by no means exhaustive. Rather, it is representative of the qualities PTA leaders demonstrate in the work they do to make every child's potential a reality.

UPDATED: Diversity, Equity, & Inclusion Policy

This Policy has been updated by the Texas PTA Diversity, Equity, and Inclusion Task Force, adopted by the Texas PTA Board of Directors (“Board”), and is intended to be consistent with the National PTA’s Diversity, Equity, and Inclusion Policy. This Policy is also intended to further the commitment of Texas PTA to diversity, equity, and inclusion, which is: To continually be a voice for all children by reflecting diversity and being inclusive in our membership, leadership, program content, advocacy, training, partnerships, and communications.

We acknowledge the potential of everyone without regard, including but not limited to: age, culture, economic status, educational background, ethnicity, gender, geographic location, legal status, marital status, mental ability, national origin, organizational position, parental status, physical ability, political philosophy, race, religion, sexual orientation, and work experience

Effective Date: This Policy is adopted as of April 19, 2021, shall be reviewed by the Board every two years, and shall remain in effect until amended or replaced in its entirety as a result of action by the Board.

Scope: This Policy shall apply as guidance to Texas PTA, all constituent divisions (Local PTAs and other divisions including Council PTAs), and their respective members.

Definitions: For the purpose of this Policy:

- *Diversity* is the representation of, and respect for, people from different backgrounds and identities—including but not limited to race, culture, religion, socio-economic status, age, geographic area, sexual orientation, and gender identification, language, approaches to learning, diagnoses, or exceptionalities impacting learning or access to learning, and physical appearance. It also involves bringing different ideas, perspectives, lived experiences, talents, values, and worldviews to the table to represent the broad variety of children, caregivers, educators, and communities within the PTA family.
- *Equity* provides fairness and access to resources, opportunities, and outcomes so that all communities get what they need to be engaged and successful. This moves beyond an “equal across the board” approach to:
 - a) Recognize and address bias and privilege.
 - b) Understand and attend to specific individual and community needs, providing additional resources to those with greater needs.
- *Inclusion* is actions, behaviors, and social norms that strive to ensure all people feel they are safe, welcomed, and that they belong. This means putting diversity into action with skill and intentionality to strive to ensure everyone feels respected, supported, and valued—and can fully participate with equal voice and right to be heard. This includes actively seeking out voices that have been traditionally underrepresented and/or marginalized.

Policy: Texas PTA and its constituent divisions (Local PTAs and other divisions including Council PTAs) shall:

- Promote awareness, inclusion, and engagement of all diverse populations represented in the community and encourage all;
- Openly assess beliefs and practices to ensure inclusiveness, equity, and to guard against discrimination;
- Strive to ensure that the membership, leadership, programs, partnerships, and printed materials across Texas reflect the diversity of their communities;
- Communicate with families in their communities in languages which they understand, to the extent possible;
- Identify and address barriers that hinder inclusivity;
- Foster programs and practices that eliminate bias, prejudice, and misunderstanding;
- Advocate for funding, laws, and regulations that support programs, policies, and services that meet the health, safety, and educational needs of all student populations in Texas public schools; and
- Provide resources and training that develop a more diverse and inclusive group of Texas PTA members, leaders, and community.

Texas PTA first adopted a Cultural Diversity and Inclusion policy on July 26, 2012

Historian

The position of historian is an optional position. If the PTA does not have a historian, these duties are the responsibility of the secretary. Check your PTA bylaws to determine if your PTA has a historian or not.

The PTA may have a tradition that a history book or scrapbook be compiled including all activities sponsored by the PTA and includes the Historian Report. This book should be kept in a convenient place, such as the school library or office. In this case, the historian is usually a designated position and NOT the responsibility of the secretary.

Responsibilities and Objectives

The historian prepares and updates a record of the activities and achievements of the PTA and makes historical facts available on request to the membership.

The historian's formal, written report is the official history, presented and adopted at the annual membership meeting and filed with the minutes. It is a summary of all the PTA's activities for that fiscal year.

Historian Report Includes:

- A list of the executive board members and when they were elected or appointed;
- All executive board meeting and membership meeting dates along with any major business conducted by the executive board and presented to the membership;
- The programs and activities hosted by the PTA during the year including a brief description of each
- Training or other events or activities that executive board members attended.

Sample Agenda

ABC PTA
Meeting Agenda
September 1, 20XX

Call to Order

The president, as the chair, stands, raps the gavel once and calls the meeting to order. The president declares whether or not a quorum is present, so both the members are aware and the secretary notes the fact in the minutes.

If the secretary and/or the parliamentarian are not present, the chair appoints a member(s) to perform those responsibilities for the meeting.

Opening Ceremonies (Optional)

An invocation pledges to the flags, a poem, a song or an inspirational message may be presented. If more than one of these is used, use the rule of “God before country” when determining the order.

Approval of Minutes

The chair recognizes the secretary for the approval of the minutes.

The secretary stands and either reads the minutes, announces the minutes draft has been distributed, or announces that the minutes were approved by a committee.

The chair can either accept a motion to approve the minutes (either as presented or as amended) or use unanimous consent.

For the current meeting, the chair may allow the membership to approve the minutes at the next meeting or appoint a committee to approve the minutes. Committee approval is recommended when the length of time between meetings causes concern for accuracy (for example, the last meeting of the year).

Minutes are presented at every meeting unless they were previously approved by a committee, which is simply announced and noted in the current meeting minutes.

Report Of Treasurer

The chair recognizes the treasurer for the financial report. A financial report is not optional and must be presented at every meeting.

The treasurer stands, addresses the chair, and reads the report, which includes (at the least) the beginning balance, total income, total expenditures, and the ending balance. The chair states that the report is filed for financial reconciliation.

Letters or Communications

The secretary reads any communications received. Action is considered if required.

Report of The Executive Board

The secretary reads a summary report (not the minutes) for the information of the members. If recommendations are presented, the secretary moves the adoption of each recommendation, in the form of a motion (no second required), individually.

Reports of Officers And Standing Committees

The chair calls for the report of the committee (not the chair’s report).

A report from a committee may be informational or require action, as determined by a majority vote of the committee. Reports with information only are read to the voting body. Those reports requiring action are presented as a motion to the membership (no second required), and the members either vote to approve—as presented or amended—or vote to reject.

The member (usually the committee chair) presenting the report moves the adoption of the motion. If no recommendation is made, no motion is needed.

The chair need not recognize the committee chair if there is no report.

The principal will often report at this time following the president's report.

Reports of Special Committees And/Or Special Orders (If Needed)

The chair calls for the report of the special committees if needed.

The reports of special committees follow the same rules as those for standing committees. If no special committees exist, this item of business does not appear on the agenda.

Motions made a "special order"—by a two-thirds vote at an earlier time—are addressed at this point. Also, matters required by the bylaws to be taken up at a specific meeting are in order at this time (election of Nominating Committee, Financial Reconciliation Committee report, election of officers, etc.).

Note: The chair may determine that this business needs to be moved higher in the agenda to maintain quorum.

Unfinished Business

The chair announces (but does not call for) business under this item. Unfinished business consists of business left unfinished at the previous meeting or business postponed to this meeting (if the group meets at least quarterly). Minutes of the previous meeting will indicate any unfinished business. If there is no unfinished business, the chair simply states "there is no unfinished business."

New Business

The chair calls for new business. Members may bring any new business before the association (if it is within the scope of the association). A motion is necessary to introduce new items of business.

Program

The chair introduces the program/parent education chair, who presents the program or introduces the program presenter(s).

The meeting is not "turned over" to the program chair, nor does the program chair "turn the meeting back to the president." The chair remains in control of the meeting from the call to order until adjournment.

Announcements

The chair should, if possible, make all announcements. Announcements include the date of the next meeting, important events, and activities, etc.

The principal may be asked to speak here.

Adjournment

The chair asks if there is any further business. If any additional business exists, it is handled at this time. If no further business exists, then the chair declares the meeting adjourned.

No motion to adjourn is necessary.

Minutes

Minutes are not a report, but a record of the business of the association. They contain a record of what is done, not what is said. Personal opinions are not recorded. Minutes specify in the first paragraph the date, place, time, type of meeting, and the names and presence of the presiding officer and secretary or names of their alternates. Accuracy is the key to good minutes.

The minutes contain a record of all actions taken by the group, including the exact wording of every motion, the name of the maker of the motion, and the action taken on the motion. Personal opinions and/or discussions are not included in the minutes.

Minutes are efficiently written – complete, concise, and accurate. They must be as brief as possible but include all necessary information. Action must be recorded in the order in which it took place. 3

Writing the Minutes

Minutes record the actions taken by the group, including:

- The exact wording of motions as stated by the chair. (The presiding officer can require any main motion or amendments to the motion to be in writing before it will be stated by the chair. The secretary can request the presiding officer to require that this be done.)
- The name of the member who moved the adoption of a motion, but not the name of the individual who “seconds” the motion, unless the assembly orders that it also be included.
- The action taken on the motion (pass/fail).

The minutes are typed or written legibly in permanent black ink and signed by the secretary. Minutes are recorded in an official minutes record and must have numbered pages in order to avoid alteration or removal of pages.

Membership and executive board meetings may be recorded by one executive board member, preferably the secretary, for the purpose of accurately documenting business conducted during the meeting. Everyone present must be told at the start that the meeting will be recorded and anyone may request the recording to be paused during discussion. Additional attendees are prohibited from recording the meetings and all recordings are to be permanently destroyed after minutes have been documented.

PTA maintains two separate minutes record books — one for the executive board and one for the membership meetings.

Minutes are read (or a draft printed and distributed) and approved or corrected immediately after the call to order, opening ceremonies, and after a quorum has been established.

Should minutes not be available for approval, then those minutes are approved first at the next meeting. Minutes are approved in the order that the meetings occurred.

Minutes of a membership meeting may not be approved at a special meeting.

Minutes are read-only to the body creating them, i.e., executive board minutes are for the executive board to approve and membership meeting minutes are for the membership to approve. Minutes protect the association and its dues-paying members. Unless password-protected, do not post on websites. Do not publish in newsletters or post on doors for non-members to access.

Minutes are signed by the secretary, using the secretary’s given name. Example: Sue Jones, secretary. The words “Respectfully submitted” represent an older practice that is not essential in signing the minutes.

Minutes of the preceding meeting may be printed and distributed if clearly marked as “draft.”

If the secretary is not present at a meeting, the president appoints a secretary pro-tem, who then provides a draft to the secretary for approval at the following meeting.

After the minutes have been read (or distributed) and approved, the secretary writes “Approved as read (or printed)” or “Approved as corrected,” the date of approval and the secretary’s initials. If your minutes are approved by a three-person committee (e.g. your last meeting of the school year), the review committee is appointed by the president to approve the minutes. Each committee member will sign and date the minutes

after reading and making necessary corrections. The president simply states, "The minutes of the ____ (date) meeting were approved by a committee consisting of ____ (names)." If someone wishes to correct those minutes, they may, but the president does not ask for corrections.

Correcting the Minutes

Corrections are suggested without motion or vote. Be grateful for corrections to the minutes. At least someone was listening closely enough to detect an error, and those corrections enable you to keep a more accurate record for the association.

Minutes may be corrected whenever the error is noticed, regardless of the time that has elapsed. To correct minutes after they have been approved requires a 2/3 vote. Corrections are made in ink by drawing a line through the information with the correction above (if space allows) or written in the margin. Red ink is preferred to indicate a correction. Nothing is ever erased once the minutes have been approved and signed.

Any member has a right to examine the minutes of the membership meetings, but this right must not be abused. The original minutes must not be released from the custody of the secretary except upon the written order of the president. If a committee needs records held by the secretary, the secretary provides a copy to the committee chair after consulting with the president. For example, during the financial reconciliation process, the secretary should present the approved minutes from membership and executive board meetings (along with the current membership roster and the current bylaws and standing rules).

For help or questions, contact your Field Service Representative, Council PTA (if applicable), or the Texas PTA secretary.

Sample Minutes

Minutes are the permanent record of all actions taken by the association; they are legal documents. The following sample is offered as a guide for the secretary. The wording in italics provides an example of how the minutes should be stated.

ABC PTA/PTSA
(Membership/executive board)
Meeting (Month, day), 20__

The (regular/special) meeting of the (name) PTA/PTSA was called to order on (month, day), 20__ at (time) (a.m./p.m.) in the (place meeting held) by President, (name), the secretary being present or (name) acting as secretary. A quorum was (established/not established). (Name) presented the invocation and (name) led the pledge or (name) led the pledge and (name) presented an inspirational thought. The minutes of the (previous date and type of meeting) were: (Read and approved) or (read and approved as corrected) or (approved as distributed, posted, or published) or (approved as corrected). The treasurer's report showed: (beginning balance, receipts, disbursements, ending balance). The treasurer's report was filed for financial reconciliation.

Secretarial reports including the Report of the Executive Board and the Statement Review by Non-Signer would be presented prior to other officers' reports.

Reports from officers would follow any correspondence and should be read after the treasurer's report. If votes on the reports are necessary, the minutes should state:

(Name) moved the adoption of the (name of the committee/executive board) recommendation to (state exact wording). After discussion, the motion (carried/failed).

Reports from the standing committee would follow in the order given. State who presented the report for each committee and include a summary of the facts and action taken, if any. If the report is very long, it is permissible to attach the report to the official copy of the minutes (with a notation in the minutes to refer to the attachment).

If a member of the association makes a motion, minutes should state who made the motion and the exact wording of the motion. The name of the person who seconded the motion is not included, but the minutes should indicate that the motion was seconded and the action taken. For example:

(Name) moved that (exact wording of the motion). The motion was seconded and (carried/failed).

If a motion is amended, the minutes should not include the amendment(s) or the name(s) of the person(s) making the amendment. The minutes should only state the motion's final approved wording.

If the motion requires a two-thirds vote, such as an amendment made to the bylaws or standing rules, the minutes should state that the amendment carried by a two-thirds vote.

If an election is held, the minutes should state the names of the nominees and the results of the election. After unfinished business, new business, programs, and announcements have been noted in the minutes, the adjournment is recorded.

The meeting was adjourned at (time) (a.m./p.m.).

(Signature)
(Name), Secretary (or Secretary Pro-tem)
Approved (or Approved as Corrected) (Month, day), 20__ (Initials of secretary)

Any corrections should be written on the minutes in the correct place and initialed by the secretary.

Best Practices

Preparation

If you are required to take the minutes of the meeting, bring along pens, writing paper, and blank motion forms. Arrive at the meeting site early to ensure that everything is ready. To take the minutes, have plenty of materials available (paper, forms, etc) to get through a possibly lengthy session. Make sure you have a copy of the agenda, the roster, as well as any reports, financial statements, or other documents that may be referred to during the meeting.

What to Record

The most difficult part of taking minutes is deciding what information has to be written down verbatim, what can be paraphrased, and what is nonessential for the official record. Minutes are meant to be concise, factual, and objective records of what has happened during the meeting. Therefore, you cannot allow personal preferences to influence your note-taking.

It can be very difficult to discriminate from among all the opinions and facts just what will be recorded in the minutes and to record the proceedings fairly, it is necessary to take a disinterested position. As a recorder, you must listen carefully and ask the president or chair for clarification if needed.

It is necessary to record motions verbatim as well as the names of the individuals who made them. You may want to have blank copies of motion forms or index cards for this purpose.

Recording Guidelines

To begin your note-taking, follow these guidelines.

- Write down the date, location, and time the meeting begins.
- Record the names of those present and absent (usually if the number is 20 or less). A quorum check is necessary for larger meetings.
- Identify the type of meeting (such as membership, executive board, special).
- Identify the presiding officer and secretary or their alternates.
- Record the action. When the meeting begins, key your notes to match numbered items on the agenda. When drafting, you simply refer to your agenda to transcribe the key.
- You may want to number the motions as you receive them in order to place them correctly as the action occurred.
- When you receive the copy of the motion, make sure it contains the name of the person who made the motion, whether there was a second, the date, and whether the motion was made in the executive board or membership meeting.
- Remember: If a motion is withdrawn, it is as though it never happened.
- If deciding to personalize a template to help record the minutes for meetings, make sure the template is consistent with the agenda that is drafted. You may want to bullet your entries in order to facilitate the recording of all actions.
- Consider making a template for the order of business and make it available for the minutes' review committee to follow the proceedings as well.
- Record the time of adjournment.

Since the minutes serve as the official records of meetings, it is imperative that they be objectively recorded and conscientiously transcribed into a final document.

Drafts

When you sit down at your computer, you must have the following materials accessible:

- The agenda
- Your notes
- Any reports or other documents distributed at the meeting
- Verbatim copies of motions
- Copy of bylaws

Format Guidelines

Prepare a draft according to these general guidelines. To determine the specific format, examine previous copies of the minutes in your files, and follow the format established for your PTA unless it has been determined that you will use a new format.

- Double-space the draft, even if the final version will be single-spaced, so that handwritten corrections can be made between the lines.
- Number the pages consecutively at the top or bottom of the pages.
- Identify the meeting and date at the top of the page.
- Identify the participants (if 20 or less — according to the guidelines established for your PTA) and the presiding officer and secretary in the first paragraph and state when the meeting was called to order.
- Make sure that you indicate there was a quorum present in order to proceed with the order of business.
- Use subheads for different topics if warranted by the length and complexity of the minutes.
- Assemble all attachments for inclusion with the final copy.

Copy Distribution

It is good practice to present the president with a draft to help find misinterpretations or sensitive material that should not be printed.

Final Copy

The final copy may be single or double spaced. Check copies of previous minutes for your PTA's preferred style. Most minutes are written in a narrative style.

Once minutes are approved and signed, all drafts, notes, and audio or video recordings will not be retained in the official files; they must be discarded.

You may keep a copy of the minutes on your computer to transfer to an external drive for your successor.

Name of PTA	
Name of School District	
Name of PTA President	

Members of the board of directors (board members) of this Council or Local PTA/PTSA (hereinafter referred to as "PTA") serve in a fiduciary capacity and owe a duty of care, a duty of obedience, and a duty of loyalty to this PTA. Board members shall conduct themselves with integrity and honesty and act in the best interests of this PTA. Disclosure by a board member of any potential or actual conflict of interest is required by the standard of good faith and for the benefit of the PTA and the protection of each individual.

In consideration of our PTA affiliation with the Texas Congress of Parents and Teachers (the Texas PTA), for the protection of its integrity and its 501(c)(3) status, and for our protection, we, the undersigned officers, individually, during our terms of office, shall:

1. Abide by and represent our PTA bylaws, the Texas PTA policies, positions, procedures, and National PTA purposes and mission statement;
2. Discharge the duties and responsibilities of our individual offices with fidelity, integrity, and honesty and declare any and all personal and/or extended family conflicts of interest when PTA issues, decisions, and funds are involved;
3. Not misuse the PTA's federal tax-exempt status or exemption from sales tax for personal or unauthorized purposes nor disburse funds for any purpose other than authorized, budgeted PTA programs, projects, and activities.
4. Refrain from making any slanderous or defamatory statement(s) that will in all likelihood result in harm to the PTA name or brand. Publicly present a united front on decisions made as an executive board. Maintain confidentiality as a member of the executive board.
5. Follow the Texas PTA and school district guidelines for fund-raising.
6. Abide by the following conflict of interest policy:
 - a. Executive board members and/or their families shall not use their relationship to this PTA for financial, professional, business, employment, personal, and/or political gain.
 - b. A conflict of interest exists when an executive board member would have to participate in the deliberation or decision of any issue of this PTA while, at the same time, the board member and/or his/her extended family has financial, professional, business, employment, personal and/or political interests outside the PTA that could predispose or bias the board member to a particular view, goal or decision.
 - c. Executive board members shall declare to the officers of this PTA conflicts of interest (stating the nature of the conflict and pertinent information as appropriate) between their duties of this PTA and their and/or their extended families' financial, professional, business, employment, personal and/or political interests.
 - d. When a conflict of interest is declared, the executive board members shall not use his/her personal influence of position to affect the outcome of this vote and shall leave the room during deliberations and the vote.
 - e. The minutes of the meeting shall reflect that a conflict of interest was declared.
 - f. Executive board members shall not:
 - i. Use PTA's name, influence, or resources for their benefit or gain when running for any public elected office or while serving as an elected official.
 - ii. Directly or indirectly use their current PTA position, the PTA name, or organization for or against any specific candidate for elected public office, which is contrary to federal tax laws and the guidelines and policies of the PTA.

We, the undersigned board members, have read and agree to abide by this policy and understand that the failure to adhere to the above guidelines may result in the termination of the undersigned as board members and will require the immediate return of all PTA property, documents, and materials belonging to this PTA.

Finance for Executive Board Members

Financial Considerations

Every single executive board member should be knowledgeable on the financial responsibilities of the PTA. Below is basic information on finances that every executive board member needs to be aware of. There is so much more involved in the everyday financial management of a PTA...these are the basics.

Fiduciary Responsibility

The Internal Revenue Service (IRS) (as included on Form 990) requires reporting by nonprofits on a range of governance issues that reach far beyond financial reporting, including executive board member “fiduciary duty.”

Executive board members have three fundamental fiduciary duties: a duty of care, a duty of loyalty, and a duty of obedience.

- The **duty of care** means that the executive board member actively participates, attends executive board meetings, is educated on the industry, provides strategic direction, and oversees the day-to-day operations of the PTA;
- The **duty of loyalty** requires the executive board member to operate in the interest of the local PTA and not to use the position to further personal agenda;
- The **duty of obedience** requires the executive board to know the state and federal laws and regulations that apply. This includes the regulations and guidance issued by the IRS. Obedience to governing documents requires a deep understanding of the operating documents (by-laws, rules, executive board manuals). Finally, obedience requires that the executive board not act outside the scope of the organization’s legal documents.

Fiduciary responsibility in a PTA means the executive board members act as trustees of the organization’s assets and must exercise due diligence to oversee that the organization is well-managed and that its financial situation remains sound. The executive board verifies that all filing requirements and tax obligations are completed. If theft, fraud, or embezzlement is suspected, a PTA must follow the Texas PTA Theft, Fraud, and Embezzlement policy.

Budget Basics

The budget creates the framework for program management and overall administrative decisions. An approved budget must be in place at all times in order for expenditures to be made and fundraisers to be conducted. The budget for the following year is presented and adopted by the membership at the last membership meeting of the year and is amended at the first membership meeting based upon approved Plans of Work submitted by the new executive board members. The members always approve expenses and income via the budget, which can be amended as needed.

Payments

Payments are never made in cash and blank checks are never issued. All payments must relate to an approved budget item and have a funds request form with a receipt and/or invoice attached. No other organization may pass its money through the PTA account in an effort to achieve tax-exempt status, and money can never be “turned over” to the school and/or principal to spend at their discretion.

Deposits

All monies collected are turned over to the treasurer as soon as possible. Money is counted by at least two people at the same time, and both counters and the treasurer each sign and keep a copy of the completed deposit form. The treasurer may be one of the two counters.

Financial Reports

To keep people informed, a current financial report is presented at every regular executive board and membership meeting that covers the financials since the last meeting of that type. Additionally, a budget vs. actual report should be available at all regular meetings. As the funds belong to the members, they have the right to access the financial reports presented at membership meetings.

Statement Reviews

The president appoints a member, subject to the approval of the executive board, who is not authorized to sign on the bank account to review each bank statement. The statement reviewer utilizes the Texas PTA Statement Review by Non-Signer Form. The secretary presents the result of this review at the executive board meeting.

Financial Reconciliations

A financial reconciliation is performed: at the end of the fiscal year; when any authorized check signer is added or deleted on any bank account; and at any time deemed necessary by the president or three (3) or more members. The president appoints the financial reconciliation committee consisting of not less than three (3) members, who are not authorized signers, the current secretary, incoming treasurer, nor be related by blood or marriage or reside in the same household as the authorized signers. The financial reconciliation committee report shall be adopted by a majority vote of the association at the regular membership meeting immediately following the financial reconciliation.

Insurance

It is in the PTA's best interest to cover the treasurer and all other persons authorized to handle money with an embezzlement (bond) policy and directors and officers liability insurance to cover losses through any fraudulent or dishonest act. Insurance premiums are budgeted as an expense line. For these policies to apply, account statements are regularly reviewed by a non-signer and financial reconciliations occur at least annually.

Keeping Records

Compiling and maintaining a complete record of your activities can be a huge help to those PTA Leaders who follow behind you. Passing along important information to your successor gives them what they need to get started! New Leaders who have access to previously implemented PTA practices are able to more easily adjust and make needed changes. Additionally, a PTA should closely follow their records retention policy to be sure they are properly storing the records they need to maintain regulatory compliance.

How to Compile Your Records

Ask yourself, “If I knew nothing about the job, could I do it with this information?” Depending on your position, you may need hard copy materials at your fingertips. If so, use a loose-leaf folder or binder with tabbed dividers. Other positions could easily keep their records electronically via cloud-based storage or USB drive.

Standards of Continuing Affiliation

Each membership year, Local PTAs must meet **both** of the following requirements to attain Active Status with Texas PTA. The membership year begins on August 1.

1. Remit to Texas PTA state and national membership dues for at least 20 members.
2. Submit to Texas PTA the name and contact information (mailing address, phone number, and email address) of at least one current executive board member, preferably the president.

Local PTAs must comply with **all** of the following standards to remain in Good Standing with Texas PTA. Local PTAs that do not maintain Good Standing will be subject to a Local PTA Retention Plan as described below.

1. Maintain Active Status with Texas PTA.¹ (see requirements above)
2. Report all additional members and remit all state/national dues to Texas PTA each year.
3. Submit to Texas PTA the name and contact information for all additional executive board members within 15 days of election or appointment.²
4. Review Local PTA bylaws (and standing rules, if applicable) every three years and submit to Texas PTA for approval.³
5. Each year, within 60 days of fiscal year-end, electronically file and have accepted by the IRS the appropriate "Form 990 Return of Organization Exempt from Income Tax".

Local PTA Retention Plan (initiated when a Local PTA does not maintain Good Standing)

Notification: Texas PTA will notify the PTA of the actions required to attain Good Standing. The PTA will have 30 days, from the date of the notification, to meet all Good Standing requirements to avoid moving into the Restriction Phase.*

Restriction: While in the Restriction Phase, the PTA is not eligible for awards, programs, or grants administered by Texas PTA or National PTA. The PTA will have 30 days to meet all Good Standing requirements to avoid moving into the Restructure Phase.

Restructure: For PTAs that do not attain Good Standing following the Notification and Restriction Phases, Texas PTA may begin the process of restructuring the leadership of the PTA or revoking the PTA's charter. A PTA that signs an Action Plan may temporarily move into Intervention giving them time to resolve any outstanding issues. The PTA will continue to be ineligible for awards, programs, and grants administered by Texas PTA and National PTA until Good Standing is achieved.

Intervention: Once in the Intervention Phase, Texas PTA will assign a support team to assist the PTA. If all requirements of the Action Plan are not resolved by the agreed-upon date, the PTA will be moved back into Restructure. **With cause, Texas PTA may place a Local PTA that has not met all Good Standing Requirements into the Intervention Phase early.*

1. *Active Status is used to determine eligibility in many Texas PTA programs and services. Please reference specific program eligibility requirements to ensure your PTAs participation.*
2. *PTAs submit executive board member information to Texas PTA electronically via the Texas PTA website.*
3. *Bylaws are submitted via the Bylaws Submission Form found on the Texas PTA website.*
4. *Proof of filing and acceptance is the Exempt Organization Business Master File issued regularly by the IRS.*
