## PTA Online Training | Where Do I Start?

Texas PTA requires all Local and Council board members to complete FOUNDATIONS Essentials training once in their PTA career. Position-specific Basics Training should be completed each time a PTA executive board member changes positions or campuses. All trainings can be found online at txpta.org/courses.

Thirteen position trainings have been created by Texas PTA. Be sure to check to see if there is one for you.

**Training** 

## **Start by taking Essentials**

Available in both English and Spanish. Essentials is the foundational information you'll need for understanding PTA structure and support. Once complete, move on to your next course.

## Do you have a new position on your executive board?

Choose 'yes' if you have a new position or the same position as last year but a different PTA. Also, choose 'yes' if you skipped a year in this specific position.

## **Download the current year Resource Guide for Boardsmanship and your position**

**Take Basics Boardsmanship** 

Whether a long-time executive board

member or newly elected/appointed,

extends beyond management and

completing your position-specific

training online, you'll be able to stay

duties. By taking Boardsmanship

up-to-date on your duties as an

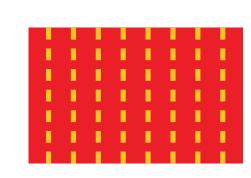

executive board member.

serving on an executive board

All of our resource guides are available for download in pdf formats. Keep it on your computer for easy reference or print it off so that it is within easy reach.
