

LEADER TRAINING AND SUPPORT

Help for PTA leaders is just a click, call, or post away with Texas PTA! We offer a wealth of training and resources to empower every leader to back the future of children in their community!

PTA TRAINING

FOUNDATIONS Essentials is an introductory course for new PTA Leaders, and **FOUNDATIONS Basics** are position-specific courses with all the resources PTA Leaders need to fulfill their executive board duties. There is a **Basics** course (and accompanying resource guide) for all positions. Both are required Leader training.

Spotlights are topic-specific courses with a laser focus on processes and procedures for PTA duties such as updating bylaws and standing rules and performing a financial reconciliation. These courses are not mandatory training.
